REPORT AND RECOMMENDATION

On September 3, 2014, Defendant was ordered to be committed to the custody of the United States Attorney General for hospitalization and treatment pursuant to 18 U.S.C. § 4241(d). Defendant has returned from the Federal Medical Center, and the Court has received a report from Kristina P. Lloyd, Psy.D., in which she opined Defendant was competent to proceed.

On November 16, 2015, I held a competency hearing. Defendant was present, represented by appointed counsel F.A. White. The government was represented by Teresa Moore. During the hearing, both parties stipulated to the contents and findings contained in Dr. Lloyd's report (Tr. at 2-3). Neither party presented additional evidence. The parties waived the fourteen-day objection period to this Report and Recommendation (Tr. at 3; Doc. No. 80). Accordingly, it is

RECOMMENDED that the Court, after making an independent review of the record and applicable law, enter an order finding Defendant competent to proceed.
